

## **ARTICLE XXI - SCHEDULE OF REGULATIONS AND DEVELOPMENT OPTIONS**

### **SECTION 2100**

See Table I for district density, setback and lot coverage limits.

### **SECTION 2101: DEVELOPMENT OPTIONS**

#### **1. Planned Unit Development (PUD) Purpose**

The purpose of this option is to permit flexibility in the regulation of land development; encourage innovation in land use and variety in design, layout, and type of structures constructed; achieve economy and efficiency in the use of land, natural resources and utilities; encourage provision of useful open space; provide adequate housing, employment, and shopping opportunities particularly suited to the needs of the residents of the City of Muskegon and encourage the use, reuse, and improvement of existing sites and buildings when the uniform regulations contained in zoning districts do not provide adequate protection and safeguards for the site or surrounding area.

This option is intended to accommodate developments with mixed or varied uses, to allow some degree of flexibility in the application of standards and regulations in this Ordinance to achieve innovation to development on sites with unusual topography or unique settings within the community, or on land which exhibits difficult or costly development problems, and shall not be allowed where this option is sought primarily to avoid the imposition of standards and requirements of zoning classifications rather than to achieve the stated purposes above.

#### **a. Planned Unit Development Regulations, Standards and Requirements**

- 1) The entire parcel for which application is made must be under one ownership or the application must be made with the written authorization of all property owners.
- 2) The application shall meet the criteria established in each specified zoning district.

#### **b. PUD Review Procedures**

- 1) A petition for a PUD approval shall be submitted in accordance with Section 2332 of this ordinance.
- 2) The review shall be in two phases:
- 3) The preliminary phase shall involve a review of a conceptual PUD plan to determine its suitability.

- 4) The final phase shall require a detailed development plan for any part of the approved conceptual PUD plan.

c. Standards for Approval of PUD Plans

The Planning Commission shall approve, deny or modify preliminary PUD plans, based upon the following standards. Likewise, the City Commission shall approve, deny, or modify final PUD plans (after review and recommendation by the Planning Commission) based upon the following standards.

- 1) The uses proposed will have a beneficial effect, in terms of public health, safety, welfare, or convenience of any combination thereof, on present and potential surrounding land uses. The uses proposed will not adversely affect the public utility and circulation systems, surrounding properties, or the environment.
- 2) The uses proposed should be consistent with the land use plans adopted by the City.
- 3) The amount of open space provided, which the Planning Commission or City Commission may modify even though such modifications do not conform to that required in other sections of this ordinance.
- 4) The amount of off-street parking areas, which the Planning Commission or City Commission may modify even though such modifications do not conform to that required in other sections of this ordinance.
- 5) The amount of landscaping and buffering areas, which the Planning Commission or City Commission may modify even though such modifications do not conform to that required in other sections of this ordinance.
- 6) The protection or enhancement of significant natural, historical, or architectural features within the proposed development area.
- 7) The uses proposed will result in safe, convenient, uncongested and well defined vehicular and pedestrian circulation systems.

2. Preliminary PUD Plan Submission

The applicant shall submit together with the application for PUD preliminary phase approval:

- a. A general development plan depicting the proposed locations of streets, parking areas, open spaces, buildings and structures, and their spatial relationships, the relationship to off-site improvements and infrastructure and any unusual topographic features.
  - 1) Approval by the Planning Commission of the PUD Preliminary Plan shall remain in effect for a period not to exceed three (3) years from the date of approval.

3. Final PUD Plan Submission

The applicant shall submit together with the application for PUD final phase approval, development plans in sufficient detail and in so far as possible the specific locations and dimensions of:

- a. all streets, sidewalks, public and private utilities, parking areas, truck docks and service drives;
- b. all buildings and structures, elevations and spacial relationships;
- c. landscaping, buffers, fences, and protective walls;
- d. open space areas and other significant environmental features;
- e. existing and final topographic changes;
- f. identification and directional signage;
- g. a property survey prepared and certified by a licensed land surveyor;

4. Amendments to an Approved Final PUD Plan

- a. Incidental or minor changes may be approved by the Planning Commission if the proposed modifications do not alter the basic design or land uses of the plan.
- b. If the Planning Commission determines that the proposed modifications are significant or major, a public notice and public hearing in accordance with Section 2332 must be conducted prior to approval or denial.

5. PUD Development Time Limits

- a. Construction of the improvements shown on the approved final PUD plan with all proposed buildings, parking areas, landscaping and infrastructure must commence within one year of approval by the City Commission.

- b. Construction must be continued in a reasonable, diligent manner and be completed within five (5) years.
- c. Said five (5) year period may be extended if applied for in writing by the petitioner and granted by the City Commission following public notice and public hearing in accordance with Section 2332 of this ordinance. Failure to secure an extension shall result in a stoppage of all construction.

#### SECTION 2102: PLANNED UNIT DEVELOPMENT OVERLAY

The intent of Planned Unit Developments (PUD) is to allow for flexibility in the design of developments, to allow for the preservation of open space; allow for economies in the provision of utilities and public services; provide recreational opportunities; and protect important natural features from the adverse impacts of development.

An overlay PUD (flex-zone) is hereby established in the City of Muskegon which encompasses the following properties:
